About Us

Muar Payong Industries Sdn Bhd has been established since 1991 as an umbrella manufacturer in Malaysia. As one of the leading umbrella manufacturers in Malaysia, we also provide related services and manufactures of customized umbrellas, non woven bag, apron, car sunshade canvas bag and related products designed according to customer requirements.

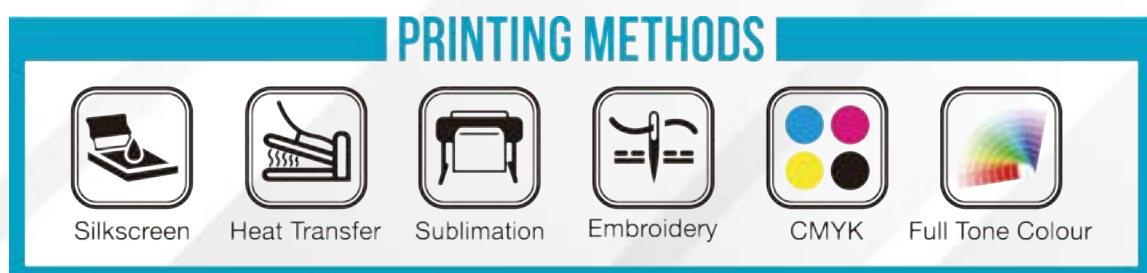

Vision

To be a trusted umbrella manufacturing company by producing quality and reliable products and being known as the brand of choice that meets the needs of customers. In addition, to be a safe haven for everyone who needs protection from the sun and rain.

Mission

Our mission is to control the quality of materials and meet customer needs through the use of the best materials, systematic production processes and strict quality inspections.

In addition to providing good service, we also provide reasonable prices and efficient delivery to continuously build customer trust and satisfaction.
